Georgy Don't

(to the tune of Carl Perkins' *Honey Don't*)

```
      E7
Well how come you say there's peace when there's not
C
Fool the country 'bout what we got
E7
You don't know Georgy what is real
C
Tell the truth now what's the deal
B7
Well aa-hah
```

Chorus:

```
E7                                    C                  E7
Georgy Don't, Georgy Don't, Georgy Don't, Georgy Don't,
          B
You say you're staying but you won't
                  E7
aa-hah Georgy Don't
```

Well I love my country and you oughta know
This November I'm gonna vote
Bring my family and my friends around
Vote your ass right out of town well aa-hah

(Chorus)

Well sometimes we hear you on a Saturday night
By Sunday morning it don't sound right
Cheney's counting Halliburton bucks
Colin Powell stepping down because you suck

Well aa-hah

Georgy oh, Georgy oh, Georgy oh, Georgy no

And close the door when you go

Ahh-hah Georgy go.
